Bloodstream

Firehorse

I am wicked without it
I am afflicted to no end
I tick tick tick tick to the days end

A little taste will fix me up,
just to make the shaking stop.

Don't leave me,
Don't leave me,
Don't leave me,
?shaking

I am guilty of obsessing.
What I want is your attention.
Satisfaction is the devil's lie.
If we had eternity,
it would only be a tease.

This is what pain is,
to leave me wanting.

Just kick my craving;
get in my bloodstream!

Is this what love is?
Don't leave me waiting.

I want you mainlined!
Get in my bloodstream!

Don't leave me pale and weak!
Get me on an IV!
I don't want to get clean!
Get in my bloodstream!

Scratching the ceiling;
when will you inject me?
Get in my bloodstream!
Get in my bloodstream!
Get in my bloodstream!
