Reign (Trafik's Stoned Rose Mix)

UNKLE

I am the lightning, I am the heat
I am the reign, reigner, reigner, reign all day
I am the reign, I'm gonna reign this way again
I am the reignI am the spark, before the blaze
(Before the blaze)
I am the raindrop out at sea, I cause the ripples
That become the crashing waves
(Crashing waves)
I am the reignYou thought a different day had come
A day you thought the earth was done
And if you could have said it all
I know you would have said it allYou thought a different day had come
A day you thought the earth was done
And if you could have said it all
I know you would have said it allI am the reign
I'm gonna reign this way again
(Reign this way again)
I am the reign, reigner, reigner, reign all day
(Reign all day)You thought a different day had come
A day you thought the earth was done, I am the reign
And if you could have said it all
I know you would have said it all, I am the reign
