

Give It Up (Feat. Elizabeth Gillies)

Ariana Grande

Someday I let you in
Treat you right
Drive you outta your mind
Oh You never met a chick like me
Burn so bright
I'm gonna make you blind Always want what you can't have
Is it so bad
If you don't get what you wanted
Make you feel good
As I'm with you
Wanna shape ya boy
Let's get it started Give it up
You can't win
'Cause I know where you've been
Such a shame
You don't put up a fight
That's a game that we play
At the end of the night
It's the same old story
But you never get it right
Give it up Come a little closer
Baby, baby
Come a little closer
Come a little closer
Baby, baby So stop trying to walk away
No you won't ever leave me behind
(No)
You better believe that I'm here to stay
(That's right)
'Cause you're the shade and I'm the sunshine
(Ooh) Look at me boy
'Cause I got you
Where I want you
Isn't it so exciting?
Wanna shake you
Wanna break you
Take a backseat boy
'Cause now I'm driving Give it up
You can't win

'Cause I know where you've been
Such a shame
You don't put up a fight
That's a game that we play
At the end of the night
It's the same old story
But you never get it right
Give it upCome a little closer
Come a little closer
Baby, baby
Come a little closer
Come a little closer
Baby, babyCome a little closer
Come a little closer
Baby
You're my baby
And I'll make you crazy tonightLook at me boy
'Cause I got you
Where I want you
Isn't it so exciting?
Wanna shake you
Wanna break you
Take a backseat boy
'Cause now I'm drivingGive it up
You can't win
'Cause I know where you've been
Such a shame
You don't put up a fight
That's a game that we play
At the end of the night
It's the same old story
But you never get it right
Give it up, whoa yeah
