Alabama Train

Louisiana Red

Alabama train, Alabama train,
Take me home, Alabama train.

Way up in New Jersey, a long way from my home,
Ain't Got nobody to love me, yes I'd better go on home.

My Alabama train, Alabama train,
Alabama train, why don't you take me home.

Way up in New Jersey, on a long way from home,
Got nobody to love me, yes I'd better go on back home.

My Alabama train, take me home,
Alabama train, back where I belong.
