

Gone For Good

Everlast

I was foolish cause I loved her so
Never put no one else above her no
She put it on me like no other did before
Now she telling me that she wants to go

She said she got dreams and she want back flights
She said that she can act and she wants to sign
Wants to build herself a rep make herself a name
I tell you girl game recognizes game

And I'll be good when you're gone for ever
And I'll be fine when you're gone for good
And I'll be good when you're gone for ever
And I'll be fine when you're gone for good
For good
Gone for good

You say you wanna be loved but wouldn't teach me how
Girl I don't even know how to reach you now
You say you wanna love but wouldn't speak no vow
Girl you ain't the one that can break me down

Take all of my love and the you spread it around
Girl I don't even know how to greet you now
I hope maybe you choke I hope maybe you drown
I said "Hey Joe, I heard you shot your lady down"

And I'll be good when you're gone for ever
And I'll be fine when you're gone for good
And I'll be good when you're gone for ever
And I'll be fine when you're gone for good
For good
Gone for good

Gone for good
Gone for good
