Sunshine In The Rain

BWO

When I'm in Berlin you're off to London
When I'm in New York you're doing Rome
All those crazy nights we spend together
As voices on the phoneWishing we could be more telepathic
Tired of the nights I sleep alone
Wishing we could redirect the traffic
And find ourselves a homeCan you feel the raindrops in the desert
Have you seen the sun raise in the dark
Do you feel my love when I'm not present
Standing by your side while miles apart
Sunshine in the rain, love is still the same
Sunshine in the rain (Sunshine in the rain)
Sunshine in the rain, love is still the same
Sunshine in the rain (Sunshine in the rain)Even if we call the highest power
We can only do one town a time
Words are not enough action speaks louder
Second time aroundCan you feel the raindrops in the desert
Have you seen the sun raise in the dark
Do you feel my love when I'm not present
Standing by your side while miles apart
Sunshine in the rain, love is still the same
Sunshine in the rain (Sunshine in the rain)
Sunshine in the rain, love is still the same
Sunshine in the rain (Sunshine in the rain)Ooh la la la
Ooh la la laWhen I'm in Berlin you're off to London
When I'm in New York you're doing Rome
All those crazy nights we spend together
As voices on the phoneCan you feel the raindrops in the desert
Have you seen the sun raise in the dark
Do you feel my love when I'm not present
Standing by your side while miles apart
Sunshine in the rain, love is still the same
Sunshine in the rain (Sunshine in the rain)
Sunshine in the rain, love is still the same
Sunshine in the rain (Sunshine in the rain)Can you feel the raindrops in the desert
Have you seen the sun raise in the dark
Do you feel my love when I'm not present
Standing by your side while miles apart
Sunshine in the rain, love is still the same

Sunshine in the rain (Sunshine in the rain)
Sunshine in the rain, love is still the same
Sunshine in the rain (Sunshine in the rain)Ooh la la la
Ooh la la la
