

# Growing Up

## The Maine

Photograph  
Remembering the summer  
It takes me back  
To Southern California Where the girls would all pass  
On the boardwalk and laugh  
At our desperate attempts  
And our sunburned backs We never had a chance  
I remember that  
And no matter what we do  
We'll never lose what we had Growing up  
Won't bring us down  
Yeah, growing up  
It won't bring us down Growing up  
Won't bring us down  
Growing up  
Won't bring us down Graduate  
What's a kid to do now?  
Get away, yeah-ah  
We've got so much to prove 'Cause it's time to move on  
And I start to let go  
But then, 'Wonderwall'  
Comes on the radio I flashback to the night  
In your parent's yard  
When we drank too much  
And we talked about God Growing up  
Won't bring us down  
Growing up  
It won't bring us down We're in this together  
Yeah, we'll make it somehow  
Nothing's gonna stop us now Growing up won't bring us down  
Growing up won't bring us down  
Growing up won't bring us down  
Oh, oh, oh Photograph  
Oh, give me something to remember Growing up  
Won't bring us down  
Growing up  
It won't bring us down We're in this together  
Yeah, we'll make it somehow  
Nothing's gonna stop us now Growing up

Won't bring us down  
Growing up  
Won't bring us down  
(Won't bring us down) Growing up  
Won't bring us down  
(Won't bring us down)  
Growing up won't bring us down
