

# Lose My Cool

## Foxes

You,  
Give me that dumb old line,  
What can we do,  
To stay side by side And who,  
Who you gonna be this time,  
You got my head unlevel,  
On every side You make me lose my cool,  
I would give you anything,  
Bad love on a good day,  
Lose my cool I got nothing in reply,  
I'm hooked don't know why,  
Don't know why I'm still hangin' on, hangin' on,  
You got me heated up,  
You make me lose my,  
You make me lose my, Hangin' on, hangin' on,  
I just can't get enough,  
You make me lose my,  
You make me lose my  
Cool  
You make me lose my,  
You make me lose my  
Cool  
You make me lose my,  
You make me lose my I'm,  
Caught on this dangerous ride,  
What're we gonna do,  
Am I alone this time Don't try,  
And turn this around,  
You should be ready, ready,  
Or I'll be tied up, bound You make me lose my cool,  
I would give you anything,  
Bad love on a good day,  
Lose my cool I got nothing in reply,  
I'm hooked don't know why,  
Don't know why I'm still hangin' on, hangin' on,  
You got me heated up,  
You make me lose my,  
You make me lose my Hangin' on, hangin' on,  
I just can't get enough,

You make me lose my,

You make me lose my

Cool

You make me lose my,

You make me lose my

Cool

You make me lose my Sometimes I think we could both have it better,

Don't you,

But it's like a mountain that blocks the horizon,

I only see you Hangin' on, hangin' on,

You make me lose my,

Hangin' on, hangin' on,

You make me lose my,

Hangin' on, hangin' on,

You make me lose my,

You make me lose my,

You make me lose my,

Cool

(Hangin' on, hangin' on,)

You got me heated up,

You make me lose my,

You make me lose my, Hangin' on, hangin' on,

I just can't get enough,

You make me lose my,

You make me lose my

Cool

You make me lose my,

You make me lose my

Cool
