

For You (feat. Andy Gray)

Gary Numan

I call for you
I'm calling for you
Calling you you If you walk in the dark
I will shine for you
If you drift on the wind
I will look for you
I will look for you
I will look for you If you hurt everything
I would bleed for you
If you reach out for me
I'll be there You are why I'm still breathing
You are why I'm still breathing here
For you I'm calling for you
I'm calling
Calling for you I'm calling
I'm calling for you
For you If you push me away
I will wait for you
If you love someone else
I will wait for you
And if god calls your name
I will dye for you
If you reach out for me
I'll be there You are why I'm still breathing
You are why I'm still breathing here
For you
