The Answer

Titus1

The lightning flashed as angels
Rode fiery chargers through the clouds
That answer scared me into tears
And all the grownups laughed out loud
Now the years roll on, tired voices have all gone
Now they ride their thunder through the heavens
There's a world in every drop of rain
Embracing oceans sweep us home again
Come along with me, come along with me
Seek the truth, you shall not find another lie
They say for every living thing
There's a guide up in the sky
That helps you pass from world to world
So you never really die
Then with scythe and cloak
Death comes waltzing to your side
As the visions pass, you ask
If there was meaning to your life
As you strain to hear the answer
Spirits sing and devils fiddle
As he bends to whisper in your hear
He leaves you one more riddle
Oh, the answers lie beyond the pain
All the questions in our minds, we surely ask in vain
Come along with me, come along with me
Seek the truth and you shall find another life
Now my life is like a storm
Growing stronger every day
Like the unrelenting wind
That comes to blow our lives away
So I live each day like
I know that it's my last
If there is no future
There must be no past
Now I know the answers never meant a thing
And with each instant that I breathe
I feel the joy that life can bring
Come along with me, come along with me
Seek the truth, you shall not find another lie

Come along with me, come along with me
Seek the truth and you will find another life
