

It's Easy To Remember

Bing Crosby

Your sweet expression
The smile you gave me
The way you looked when we met
It's easy to remember
But so hard to forget I hear you whisper
I'll always love you
I know it's over, and yet
It's easy to remember
But so hard to forget So I must dream
To have your hand caress me
Fingers press me tight
I'd rather dream
Than have that lonely feeling
Stealing through the night Each little moment
Is clear before me
And though it brings me regret
It's easy to remember
But so hard to forget Your sweet expression
The smile you gave me
The way you looked when we met
It's easy to remember
But so hard to forget I hear you whisper
I'll always love you
I know it's over, and yet
It's easy to remember
Oh so hard to forget So I must dream
To have your hand caress me
Fingers press me tight
I'd rather dream
Than have that lonely feeling
Stealing through the night Each little moment
Is clear before me
And though it brings me regret
It's easy to remember
But so hard to forget
