

# The Flood

Katie Melua

Broken people get recycled, and I hope that I will  
Sometimes we're thrown off our pathways  
What I thought was my way home  
Wasn't the place I know I'm not afraid of changing, I'm certain nothing's certain  
What we own becomes our prison  
My possessions will be gone  
Back to where they came from Blame, no one is to blame  
As natural as the rain that falls  
Here comes the flood again See the rock that you hold onto, is it gonna save you?  
When the earth begins to crumble  
Why do you feel you have to hold on?  
Imagine if you let go Blame, no one is to blame  
As natural as the rain that falls  
Here comes the flood again Wash away the weight that pulls you down  
Ride the waves that free you from the dusk Don't trust your eyes, it's easy to believe them  
Know in your heart that you can leave your prison  
Don't trust your mind, it's not always listening  
Turn on the lights, and feel the ancient rhythm Don't trust your eyes, it's easy to believe them  
Know in your heart that you can leave your prison Blame, no one is to blame  
As natural as the rain that falls  
Here comes the flood again
