## The Flood

## **Katie Melua**

Broken people get recycled, and I hope that I will
Sometimes we're thrown off our pathways
What I thought was my way home
Wasn't the place I knowI'm not afraid of changing, I'm certain nothing's certain
What we own becomes our prison
My possessions will be gone
Back to where they came fromBlame, no one is to blame

As natural as the rain that falls

Here comes the flood againSee the rock that you hold onto, is it gonna save you?

When the earth begins to crumble

Why do you feel you have to hold on?

Imagine if you let goBlame, no one is to blame

As natural as the rain that falls

Here comes the flood againWash away the weight that pulls you down
Ride the waves that free you from the duskDon't trust your eyes, it's easy to believe them
Know in your heart that you can leave your prison

Don't trust your mind, it's not always listening

Turn on the lights, and feel the ancient rhythmDon't trust your eyes, it's easy to believe them Know in your heart that you can leave your prisonBlame, no one is to blame

As natural as the rain that falls Here comes the flood again
