Bye Bye Girl

The Sharks

Well, at the time it seemed okay
But now it's done, just go away!
Bye, bye Girl, why can't you see
A one night stand, that's all you'll beCause I don't love you baby!
No, I don't want you girl!(Bye, bye girl) Just Go Away!
(Bye, bye girl)Just stay away, away from my home
Don't call me up. Leave me alone!Cause I don't want you baby!
No, I don't love you girl!
And I don't need you baby!(yeah, get away from me!)Well, since last night, my feelings changed
I look at you, and I feel ashamed!Cause I don't love you baby!
No, I don't want you girl!(Bye, bye girl)
(Bye, bye girl)
Just go away!
(Bye, bye girl)
Leave me alone!
