Doing Time (Life In General Version)

[MxPx](#)

I remember times I had
Some were happy, some were sad
Memories me and my partners in crime
Throwin' up a thousand timesI got through it, I feel fine
I went to school and did my time
In a sense I'm out, in a sense I'm free
Today, what I wanna beFun was cartoons Saturdays
Fun was staying up past eight
Lame was trying to fit in
Lame was the wrong crowd let me itI got through it, I feel fine
I went to school and did my time
In a sense I'm out, in a sense I'm free
Today, what I wanna beYeah, just be together
With who you are and who you know
You gotta remember
Where you've been, where you wanna goI never did homework after school
Did all the things I thought were cool
Went out every Friday night
I still do and I'm alright
