Mirrors

Rendezvous Point

You see me talking, but you can't hear what I say.
You are serving yourself, and you won't have it any other way.
Your thoughts are a prison 'cause your mind it is a cage.
It's just you, your thoughts; your breath, and nobody else.

You're an egocentric fool, your thoughts will echo in your brain.
'Gonna leave you alone - I hope it doesn't drive you too insane.

I know you think
You know all the answers to everything.
I think you know
Nothing about me, and less about yourself.
You know I think
No one can teach you a lesson.
I think I know
That's why I'm talking to myself.

You will never surrender, no you will never sacrifice.
'Cause you don't want to suffer, you don't wanna' die.

Place a mirror before your eyes.
[Looking back at you]
Place a mirror before your eyes.
[See the truth come forward]
Place a mirror before your eyes.
[And before yourself]

You cheat,
You lie,
You drink,
You die;
Never evolving - stuck in your head.
You eat,
You sleep,
You wake your dream;
No gradification (?) - Assert myself, and I...

You run,
You finally standing by the Lord (?)
You survive,

You deceive;
Don't know what you/to believe.

I know you think
You know all the answers to everything.
I think you know
Nothing about me, and less about yourself.
You know I think
No one can teach you a lesson.
I think I know
That's why I'm talking to myself.

Your world is fractured/fracturing(?)
Your life/pride (?) is gone.
Your mind is fighting.
Your head explodes.

Your world is fractured/fracturing(?)
Your life/pride (?) is gone.
Your mind is fighting,
Your ego is overloaded (?)

So I place a mirror before your eyes.
So I place a mirror before your eyes.
