God Is Amazing

Deniece Williams

God is truly amazing
God is truly amazing
God is truly amazing
My God is truly amazingHe is a friend in need, He is a problem solver
He is the strength, that never let's you fall
He'll be your peace, faith is the key
(Yeah, yeah, yeah)God is truly amazing
God is truly amazing
God is truly amazing
My God is truly amazingHe is the light, that brightens up the day
He is the shepherd, whose flock don't have to stray
He'll be your keys, only believe
(Yeah, yeah, yeah, yeah my God)God is truly amazing
God is truly amazing
God is truly amazing
My God is truly amazingMy God, amazing is He
Giving you peace if you only believe
Faith is the key, in time of need
My God amazing is HeMy God, amazing is He
Giving you peace if you only believe
Faith is the key, in time of need
My God amazing is HeMy God is amazing
Oh faith is the key, in time of need
Oh do y'need, do you need again?
Ohh, do you need?My God, amazing is He
Giving you peace if you only believe
Faith is the key, in time of need
My God, amazing is He
