Bright Lights

Gary Clark Jr.

woke up in new york city lying on the floor
just outside of monsey's west 54
well
you gonna know my name by the end of the night
yeah
you gonna know my name by the end of the nightbright lights big city goin to my head
bright lights big city goin to my head
bright lights big city goin to my head
i don't care, no
cause you don't care, nostart off with a bottle
endin up with a bottle
takin shots, waitin on tomorrow
tryin to fill up what's hollow
you gonna know my name
you gonna know my namebright lights big city goin to my head
bright lights big city goin to my head
bright lights big city goin to my head
i don't care, no
cause you don't care, noget lost in the city
try to find myself
i went up a different person came down somebody else
i know it ain't right but it's all in my head
oh i'm surprised that i'm still alive i should be deadbright lights big city goin to my head
bright lights big city goin to my head
bright lights big city goin to my head
i don't care, no
cause you don't care, nooh you gonna know my name
yeah, yeah you gonna know my name
you gonna know my name
you gonna know my namehey,
you gonna know my name by the end of the night
