Oh it's surrender(ed?)  
Oh it numbers our fearOh it's a message in crumbles  
Oh it's surrender  
Oh it numbers our fearAre we too croon to swallow hurt or choose  
Please say no  
Are we to croon to swallow hurt or chooseOohh oooh auhCan you stay ooh  
It's lucky i knowAuh see the deity in me  
Auh you serve by a plate  
At the same time chase your heartburns away?  
You like gold and tumbleweeds  
You like gold with? your?Without you I'm undone  
Without you they have me  
Without youOoh it's a message in crumbles  
Ooh it's surrender  
Ooh it numbers our fearOoh it's a message in crumbles

Only can you stay  
Auh it's lucky i knowAnytime you walk away
