Wildest Moments - Remix

Jessie Ware

You and I, bloodline,
We come together every time
Two wrongs, no rights,
We lose ourselves at nightFrom the outside, from the outside
Everyone must be wondering why we try
Why do we tryBaby in our wildest moments,
We could be the greatest, we could be the greatest,
Baby in our wildest moments,
We could be the worst of all
Baby in our wildest moments,
We could be the greatest, we could be the greatest,
Baby in our wildest moments,
We could be the worst of allOo-ooh, Oo-oohWait on, thunder sky,
Wherever theres smoke, there'll soon be fire
What could bring bad luck,
Ive been looking at you too muchFrom the outside, from the outside,
Everyone must be wondering why we try,
Why do we tryBaby in our wildest moments,
We could be the greatest, we could be the greatest,
Baby in our wildest moments,
We could be the worst of all
Baby in our wildest moments,
We could be the greatest, we could be the greatest,
Baby in our wildest moments,
We could be the worst of allIn the middle of it,
We walk, we walk the line
Looking back on the set
Our wildest moments
Are you thinking what if,
What if we ruined it all?
My wrecking ballFrom the outside, from the outside,
Everyone must be wondering why we try,
Why do we tryBaby in our wildest moments,
We could be the greatest, we could be the greatest,
Baby in our wildest moments,
We could be the worst of all
Baby in our wildest moments,
We could be the greatest, we could be the greatest,
Baby in our wildest moments,

We could be the worst of all
