

Wildest Moments - Remix

Jessie Ware

You and I, bloodline,
We come together every time
Two wrongs, no rights,
We lose ourselves at night From the outside, from the outside
Everyone must be wondering why we try
Why do we try Baby in our wildest moments,
We could be the greatest, we could be the greatest,
Baby in our wildest moments,
We could be the worst of all
Baby in our wildest moments,
We could be the greatest, we could be the greatest,
Baby in our wildest moments,
We could be the worst of all Oo-oooh, Oo-oooh Wait on, thunder sky,
Wherever theres smoke, there'll soon be fire
What could bring bad luck,
Ive been looking at you too much From the outside, from the outside,
Everyone must be wondering why we try,
Why do we try Baby in our wildest moments,
We could be the greatest, we could be the greatest,
Baby in our wildest moments,
We could be the worst of all
Baby in our wildest moments,
We could be the greatest, we could be the greatest,
Baby in our wildest moments,
We could be the worst of all In the middle of it,
We walk, we walk the line
Looking back on the set
Our wildest moments
Are you thinking what if,
What if we ruined it all?
My wrecking ball From the outside, from the outside,
Everyone must be wondering why we try,
Why do we try Baby in our wildest moments,
We could be the greatest, we could be the greatest,
Baby in our wildest moments,
We could be the worst of all
Baby in our wildest moments,
We could be the greatest, we could be the greatest,
Baby in our wildest moments,

We could be the worst of all
