Heaven

Nouvelle Vague

Heaven is the whole of the heart
Heaven don't tear you apart
Heaven is the whole of the heart
Heaven don't tear you apartThere's too many kings, wanna hold you down
And a world at the window gone underground
There's a hole in the sky where the sun don't shine
And a clock on the wall and it counts my timeHeaven is the whole of the heart
Heaven don't tear you apart
Heaven is the whole of the heart
Heaven don't tear you apartThere's a song on the air with a love you line
And a face in a glass and it looks like mine
And I'm standing on ice when I say that I don't hear planes
And I scream at the fools wanna jump my train
Heaven is the whole of the heart
Heaven don't tear you apart
Heaven is the whole of the heart
Heaven don't tear you apart
