

Treat Her Right

Otis Redding

Wanna tell you a story
Every man oughta know
If you want a little lovin' then
You gotta start real low Now, if you, if you treat her right now
She'll love you tonight now Squeeze her real gentle
Just make her feel good, man
Then tell her that you love her
Just like you know you should Oh, if you, yes, treat her right, now
She's gonna love you tonight, now You've got to practice on my method
[Incomprehensible] you can
You're gonna win a reputation, man
Of being a, one woman's man 'Cause if you love her every night
She's gonna treat you right, now
