

Box of Rain

Grateful Dead

Look out of any window, any morning, any evening, any day
Maybe the sun is shining, birds are winging
No rain is falling from a heavy sky What do you want me to do, to do for you to see you through?
For this is all a dream we dreamed one afternoon, long ago Walk out of any doorway, feel your way, feel your
way
Like the day before, maybe you'll find direction
Around some corner where it's been waiting to meet you What do you want me to do, to watch for you while
you are sleeping?
Then please don't be surprised when you find me dreaming too Look into any eyes you find by you, you can see
clear
To another day, maybe been seen before
Through other eyes on other days while going home What do you want me to do, to do for you to see you
through?
It's all a dream we dreamed one afternoon, long ago Walk into splintered sunlight, inch your way
Through dead dreams to another land, maybe you're tired and broken
Your tongue is twisted with words half spoken and thoughts unclear What do you want me to do, to do for you
to see you through?
A box of rain will ease the pain and love will see you through Just a box of rain, wind and water
Believe it if you need it, if you don't just pass it on
Sun and shower, wind and rain
In and out the window like a moth before a flame And it's just a box of rain, I don't know who put it there
Believe it if you need it, or leave it if you dare And it's just a box of rain or a ribbon for your hair
Such a long, long time to be gone and a short time to be there
