

Star Trekkin'

Dr. Demento

Star Trekkin' across the Universe,
On the Starship Enterprise under Captain Kirk.
Star Trekkin' across the Universe,
Only going forward 'cause we can't find reverse!

There's KlingOns on the starboard bow,
Starboard bow,
Starboard bow.
There's KlingOns on the starboard bow,
Starboard bow, Jim.

It's life, Jim, but not as we know it,
Not as we know it,
Not as we know it.
It's life, Jim, but not as we know it,
Not as we know it, captain.

There's KlingOns on the starboard bow,
Starboard bow,
Starboard bow.
There's KlingOns on the starboard bow,
Starboard bow, Jim.

Star Trekkin' across the Universe,
On the Starship Enterprise under Captain Kirk.
Star Trekkin' across the Universe,
Only going forward, still can't find reverse!
