

A Song For Everyone

Fenix TX

Well I know that it's late but the words wouldn't wait
I'm really sorry that I woke you up
I don't know what's come over me
If I'm wrong let me know Do you think I should go
But before you give an answer think of somewhere you'd rather be
All that I have twenty six dollars and the keys to a Cadillac
All that I know Drive all night go anywhere you want to go
All that I want and all that I need
All I want to know is do you want to come with me
You deserve more than this packing guilt for a trip I never thought that I would get this far
Searching for the words to say
Summer wind desert stars
All of this could be yours You know it only takes two words and we'll both be on our way
All that I have twenty six dollars and the keys to a Cadillac
All that I know
Drive all night go anywhere you want to go All that I want and all that I need
All I want to know is do you want to come with me
Come with me come with me
All I have all I know I changed the station and our song is on the radio
All I have all I know drive all night
Go anywhere you want to go
All I have all I know I changed the station and our song is on the radio
All I have all I know drive all night
Go anywhere you want to go
Drive all night go anywhere you want to go Drive all night go anywhere you want to to
