

# Sky to Fall

Ian Love

Your a saint,  
not a sinner.  
Don't you feel  
so secure now?  
Your all talk,  
and such a quitter.  
And you think your  
alone now.[chorus]  
Don't hold, your breath,  
and wait, for some, sky, to fall,  
and raise, your hands,  
and scream, some more,  
and run, to what, you know. I wondered why, you look so dismissive.  
And you can't take that pain in your heart.  
Never mind; never mind.  
But you couldn't, deliver  
If you don't feel so safe now, now.[chorus]  
Don't hold, your breath,  
and wait, for some, sky, to fall,  
and raise, your hands,  
and scream, some more,  
and run, to what, you know.
