

# It's My Time (Digital Dog Radio Edit)

Jade Ewen

I've been down, down so long  
But those days are gone now  
I've got the will, I've earned the right  
To show you it's my time tonightIt's my time, it's my time  
My moment, I'm not gonna let go of it  
My time, it's my time and I'll stand proudThere's nothing I'm afraid of  
I'll show you what I'm made of  
Show you all it's my time nowI'll break through, I've made my move  
And my faith is strong now  
I've got the heart to reach the heights  
To show you it's my time tonightIt's my time, it's my time  
My moment, I'm not gonna let go of it  
My time, it's my time and I'll stand proudThere's nothing I'm afraid of  
I'll show you what I'm made of  
Show you all it's my time nowI've got the will, I've earned the right  
Tonight, tonightIt's my time, it's my time  
My moment, I'm not gonna let go of it  
My time, it's my time and I'll stand proudThere's nothing I'm afraid of  
I'll show you what I'm made of  
Show you all it's my time now, now  
Show you all it's my time now
