

Say What You Will

Black Label Society

Oh, the walking dead have rose again
Oh, hell is rolling, 'round the end
Oh yea tried to walk away
But you kept coming back for more
Oh yea I tried to walk away
But you kept coming back,
But you kept coming back
You kept coming back for more Say what you will say you want the end
Like you never ever ahd it before
I'll give you everything beyond the truth
I'll give you everything and even more Oh the graveyard rolls again
Oh kill it all and kill it again
Oh yea I tried to walk away
But you kept coming back for more
Oh yea I tried to walk away
But you kept coming back
You kept coming back for more
