Give It To You

Kandi

For a while I've been single
Haven't even mingled
Taking time for me
But every time I see you
My body feels tingles
I wanna taste the air you breathe
I love your conversation
Feel my admiration
When I look deep in your eyes
I feel a connection
I wasn't expectin'
Way deep down inside
It's been a long time
Long time since I felt like
Giving my love to someone
Giving my heart to someone
Giving my love
It's been a long time
Long time since I felt like
Giving my love to someone
Giving my heart to someone
Giving my love
I wanna give it, wanna give it
Wanna give it to you, baby
Oh I, oh I
I wanna give it, wanna give it
Wanna give it to you, baby
I'm tryin' ta be good, I wanna be bad
I'm tryna hold my dirty thoughts back
No fly by night romance, I want substance
Something real that will last
The more I get to know ya
The more I wanna hold ya
The more I wanna be your girl
The closer I get to ya
I can see your future
A vision of me in your world
It's been a long time
A long time since I felt like

Giving my love to someone

Giving my heart to someone
Giving my love
It's been a long time
A long time since I felt like
Giving my love to someone
Giving my heart to someone
Giving my love
It's been a long time
Since I wanted to give my love away
It's been a long time
Since I met someone worth it anyway
It's been a long time
Since I wanted to give
My heart and soul and more
But right now I wanna give it all to you
I wanna give it to you
I wanna give it to you
Give it to you
I wanna give it, wanna give it
Wanna give it to you, baby
I wanna give it, wanna give it
Wanna give it to you, baby
It's been a long time
Long time since I felt like
Giving my love to someone
Giving my heart to someone
Giving my love
Oh, it's been a long time
Long time since I felt like
Giving my love to someone
Giving my heart to someone
Giving my love
I wanna give it, wanna give it
Wanna give it to you, baby
I wanna give it, wanna give it
Wanna give it to you, baby
I wanna give it, wanna give it
Wanna give it to you, baby
I wanna give it, wanna give it
Wanna give it to you, baby
