You and Me

Matthew Barber

Like the river and the sea
Like the flower and the tree
Like the birds and the bees
Thereâ€™s you and then thereâ€™s me

Like the violence and the calm
Like the poem and the song
Like the captive and the free
Thereâ€™s you and then thereâ€™s me

Thereâ€™s you and me my love
What are you thinking of?
Thereâ€™s you and me my love
What are you thinking of?
Thereâ€™s you and me my love
What are you thinking of?
Thereâ€™s you and me my love

Like the fire and the ice
Like the virtue and the vice
Like the verdict and the plea
Thereâ€™s you and then thereâ€™s me

Like the wealthy and the poor
Like the battle and the war
Oh the one who asks for more
Is bound to end up sore

Is it you or me my love
What are you thinking of?
Is it you or me my love
What are you thinking of?
Is it you or me my love
What are you thinking of?
Is it you or me my love?

Like the river and the sea
Like the flower and the tree
Like hell and heavenly
Like hell and heavenly
