

Mr. Know It All

Kelly Clarkson

Mr. Know It All

Well you you think you know it all

But you don't know a thing at all ain't it

Ain't it something y'all

When somebody tells you something about you

Think that they know you more than you do

So you take it down, another pill to swallowMr. Bring Me Down

Well you like to bring me down, don't you

But I ain't laying down

Baby I ain't going down

Can't nobody tell me how it's gonna be

Nobody's gonna make a fool out of me

Baby you should know that I lead not follow(Chorus)

Oh you think that you know me, know me

that's why I'm leaving you lonely, lonely

'Cause baby you don't know a thing about me

You don't know a thing about meYou ain't got the right to tell me

When and where to go, no right to tell me

Acting like you own me lately

Yeah baby you don't know a thing about me

You don't know a thing about meMr. Play Your Games

Only got yourself to blame

When you want me back again

But I ain't falling back again

'Cause I'm living my truth without your lies

Let's be clear baby, this is goodbye

I ain't comin' back tomorrow(Chorus)

Oh you think that you know me, know me

that's why I'm leaving you lonely, lonely

'Cause baby you don't know a thing about me

You don't know a thing about meYou ain't got the right to tell me

When and where to go, no right to tell me

Acting like you own me lately

Yeah baby you don't know a thing about me

You don't know a thing about meSo what you've got the world at your feet

And you know everything about everything

But you don't

You still think I'm coming back but baby you'll see(Chorus)

Oh you think that you know me, know me

that's why I'm leaving you lonely, lonely
'Cause baby you don't know a thing about me
You don't know a thing about me You ain't got the right to tell me
When and where, no right to tell me
Acting like you own me lately
Yeah baby you don't know a thing about me
You don't know a thing about me Mr. Know It All
Well you you think you know it all
But you don't know a thing at all
Yeah baby you don't know a thing about me
You don't know a thing about me
