

# Love Gone Bad

## Cinderella

If I hear you stalkin', looking for sympathy  
You just keep on walkin', actin' like you don't know me  
Ain't nothin' new for you, honey what you put me through  
Seven years ago today, there ain't no other way  
Once bitten, now two cents shy  
Almost the apple of your daddy's eye  
But your love, your love's gone bad yeah, yeah, yeah  
Your love, your love's gone bad  
If I hear you talkin', gettin' in my ear  
Listen to the words I say, let me make this very clear  
Don't ask for money, don't you think my name  
Everything was sunny, dream about it ain't the same  
Once bitten now two cents shy  
Almost the apple of your daddy's eye  
But your love, your love's gone bad yeah, yeah, yeah  
Your love, your love's gone bad  
[Incomprehensible]Once bitten, now two cents shy  
Almost the apple of your daddy's eye  
But your love, your love's gone bad, yeah, yeah, yeah  
Your love, your love's gone bad, your love yeah, yeah, yeah  
Your love's gone bad yeah, yeah, yeah, yeah, yeah, yeah  
Your love's gone bad  
Yeah, your love's gone bad  
Your love's gone bad, so bad
