

Last Vice

Ida Maria

I confess
I've been a mess
I've been a liar and a cheater with a stolen dress
So I repent
'Cause I'm bent
My life's a living hell and you're heaven sent Whoa, but I gave up my addictions
Days, buddy, scratching off the walls
Sitting, passing, selling my convictions
All I need someone to take me back to paradise You're my last vice
Baby, baby, baby
You're my last vice You're my last vice
Baby, baby
You're my last vice
And I'm not giving you up I admit
I've been a bitch
And my life has gone to shit
My wicked ways saw better days
I left a diamond jewel behind in a purple haze Whoa, but I gave up my addictions
Days, buddy, scratching off the walls
Sitting, passing, selling my convictions
All I need someone to take me back to paradise Paradise
Paradise
Oh my paradise You're my last vice
Baby, baby, baby
You're my last vice You're my last vice
Baby, baby
You're my last vice
And I'm not giving you up I'm not giving you up
I'm not giving you up
I'm not giving you up, up, up up
I'm not giving you up
I'm not giving you up
I'm not giving you up, baby I'm not giving you up (x3)
Baby, baby, baby
I'm not giving you up
I'm not giving you up You're my last vice
Baby, baby
You're my last vice You're my last vice
(I think that you are)

Baby, baby, baby
You're my last vice
I'm not giving you up
I'm not giving you up
