Flying High

Cibelle

I need to tell someone how I am feeling
Moving my silence down
I don't feel no middle end, not a bit, just standing still
It's just this feeling courseThis life, this life
This life I am feeling
This life, this life
This life I am feelingSo many good timesSeems like I'm falling
With this strangest feeling insideThis life, this life
This life I am feeling
This life, this life
This life I am feelingThere's so much beauty in the simple things
There's so much light we [unverified]
I feel like I'm flying, I am flying in my dreams
I'm flying good times, good times, I'm flyingSo many good times, I'm flying
So many good times, I feel like I'm flying, I'm flying
