You Didn't Tell Me

Lawson

There you stood, next to me,
and you waited, patiently.
I approached, held you near
then you whispered, in my ear

You didnâ€™t tell me,
you didnâ€™t need me,
You went and left it all behind
you didnâ€™t tell me,
you didnâ€™t warn me,
didnâ€™t it ever cross your mind?

Friday night, cancel plans,
then i see you, holding hands.
With a guy, now itâ€™s clear,
when you whispered, in his ear

You didnâ€™t tell me,
you didnâ€™t need me,
You went and left it all behind
you didnâ€™t tell me,
you didnâ€™t warn me,
didnâ€™t it ever cross your mind?

Didnâ€™t you tell me, that I,
Was spending way too long wasting my time
oh and I, should have known,
that i am better of on my own.

You didnâ€™t tell me,
you didnâ€™t need me,
you went and left it all behind
You didnâ€™t tell me,
you didnâ€™t warn me,
didnâ€™t it ever cross your mind?

You didnâ€™t tell me,
you didnâ€™t need me,
didnâ€™t it ever cross your mind
You didnâ€™t tell me,

you didnâ€™t warn me,
didnâ€™t you ever say goodbye?

Oh
Oh yeah
There you stood
