Alright

D'angelo

That's alright, we may have a misunderstanding
That's okay because your my girl and I'm your man
And that's just fine, girl your touch still drives me wild
We'll be alright, 'cause all we have to do is just talk for a while
And if we don't see eye to eye at least we tried
We been through too much to let all the little things
Get in the middle of so let us ease back, relax
'Cause every thing's gonna be alright
Gonna be alright
Be alright, be alright, be alright
Baby doll, yo don't have to worry at all
'Cause it's alright, girl we've climbed to high to fall
So let's talk about it and baby if we disagree
Then let's forget about it, 'cause in the end
I'll always love you and you'll love me
And if we don't see eye to eye at least we tried
We been through too much to let all the little things
Get in the middle of so let us ease back, relax
'Cause every thing's gonna be alright
Gonna be alright
Be alright, be alright, be alright
