

Been a Son (Live At Pine Street Theatre)

Nirvana

She should have stayed away from friends
She should have had more time to spend
She should have died when she was born
She should have worn the crown of thorns

She should have - been a son
She should have - been a son
She should have - been a son
She should have - been a son

She should have stood out in the crowd
She should have made her mother proud
She should have fallen on her stance
She should have had another chance

She should have - been a son
She should have - been a son
She should have - been a son
She should have - been a son

She should have stayed away from friends
She should have had more time to spend
She should have died when she was born
She should have worn the crown of thorns

She should have - been a son
She should have - been a son
She should have - been a son
She should have - been a son
