Sound Of Music

Velvet

(And there was sound of music)
Hey yeah
(Ooh it's on my mind) x2Just put the needle on
Forget about "do"s and "don't"s
Baby I'm second to noneAnd if you're doing it right
I'll do anything
Anything you want and moreYou've got to save me honey
(Ooh it's on my mind)
'Cause I've never done this before
You've got to save me honey
(Ooh it's on my mind)
TonightAnd there was sound of music
(Ooh it's on my mind)
Spin me around, let me touch the sky
Sound of music
(Ooh it's on my mind)
Let yourself drown, let it get you high
Sound of musicAnd as the beat goes on
No telling right from wrong
Listen to "4 on the Floor"
No need to analyze
This is "Twice as Nice"
Than anything you've ever doneYou've got to save me honey
(Ooh it's on my mind)
'Cause I've never done this before
You've got to save me honey
(Ooh it's on my mind)
TonightAnd there was sound of music
(Ooh it's on my mind)
Spin me around, let me touch the sky
Sound of music
(Ooh it's on my mind)
Let yourself drown, let it get you high
Sound of music(Ooh it's on my mind) x3
And there was sound...Hey yay...And there was sound of music
(Ooh it's on my mind)
Spin me around, let me touch the sky
Sound of music
(Ooh it's on my mind)

Let yourself drown, let it get you high
Sound of music, Sound of music
Sound of music, yeah yeah hey
(Ooh it's on my mind)
