Mad Truth

The Pop Group

Crazy, crazy, crazy love
Truth, mad truthSister read on, time to make a stand
Sister read on, future's in your hands
Every city tells a thousand stories
Forbid love and unsolved glories
When you fall in love a thousand times a day
With all the love in the world to find your love awaySister read on, time to make a stand
Sister read on, future's in your hands
Sister read on, time to make a stand
Sister read on, future's in your hands
To those who went before us
Though few remember their names
It will never be forgotten
The struggle was not in vainSister read on, time to make a stand
Sister read on, future's in your hands
Sister read on, time to make a stand
Sister read on, future's in your handsInvincible, we will always fight
And knocking the secrets, over night
Over night
Their strength has come from up above
From the clouds, a crazy, crazy love
Sister read on, time to make a stand
Sister read on, future's in your hands
Sister read on, time to make a stand
Sister read on, future's in your hands
MAD TRUTH, MAD TRUTH,
MAD TRUTH, MAD TRUTH,
MAD TRUTH, MAD TRUTH
