It's Beginning To Look Like Christmas

Johnny Mathis

It's beginning to look a lot like Christmas
Everywhere you go
Take a look in the five-and-ten
Glistening once again
With candy canes and silver lanes aglowIt's beginning to look a lot like Christmas
Toys in every store
But the prettiest sight to see
Is the holly that will be
On your own front doorA pair of hop-a-long boots and a pistol that shoots
Is the wish of Barney and Ben
Dolls that will talk and will go for a walk
Is the hope of Janice and Jen
And mom and dad can hardly wait for school to start againIt's beginning to look a lot like Christmas
Everywhere you go
There's a tree in the Grand Hotel,
One in the park as well
The sturdy kind that doesn't mind the snowIt's beginning to look a lot like Christmas
Soon the bells will start
And the thing that will make them ring
Is the carol that you sing
Right within your heartIt's beginning to look a lot like Christmas
Soon the bells will start
And the thing that will make them ring
Is the carol that you sing
Right within your heartIt's beginning to look a lot like Christmas
Christmas, Christmas, Christmas, Christmas
