

# Momma Don'tcha Cry

Peter Green

Written by peter green.Momma don'tcha cry now  
Momma don'tcha cry now  
Just say your goodbyes now  
But momma don'tcha cry  
I've been a foolish boy  
And I had to break the law just for youMomma do ya love me  
Momma do ya love me  
Then momma won'tcha kiss me  
He was such a naughty man  
And I had to put him down just for youMomma don'tcha cry now  
No, momma don'tcha cry now  
Just say your goodbyes now  
But momma don'tcha cry  
I've got to go away  
But I promise i'll be back someday
