

# You Don't Have To Stay Forever

## Reckless Kelly

Everybody held their breath when you walked in  
Guess no one thought to tell me you were back in town again  
Everyone remembers how you shut me down  
And let me tell you jaws were dropping left and right when we walked out  
It's so good to see you now  
It's as though you were never gone even after all this time  
And I want you more than ever  
And I know you'll never be mine  
You don't have to stay forever  
You don't have to stay forever  
You don't have to stay forever  
Maybe you could stay tonight  
Arm in arm out strolling down on riverside  
Two broken hearts beating fast and right in time  
I got nothing to lose, I might as well lay it on the line  
And I don't want to be alone so won't you stay with me tonight?  
It's so good to see you now  
It's as though you were never gone even after all this time  
And I want you more than ever  
And I know you'll never be mine  
You don't have to stay forever  
You don't have to stay forever  
You don't have to stay forever  
Maybe you could stay tonight  
No one feels the same against my skin  
Feels so right just to be with you again  
I'm still not over the first time you let me go  
But I don't hold that against you and I wanted you to know  
It's so good to see you now  
It's as though you were never gone even after all this time  
And I want you more than ever  
And I know you'll never be mine  
You don't have to stay forever  
You don't have to stay forever  
You don't have to stay forever  
Maybe you could stay tonight
