

# Angel (Will You Be My)

## Pale Saints

I'm teaching myself  
Not to need  
Have you  
Tried not to? Not to need  
Not to need  
Not to need  
Not to need Can I see you  
Or will I  
Still grapple at the same  
Sky? Can I touch you?  
Will you sing? Will you be my angel  
(Be my angel)  
With strings?  
Will you be my angel  
(Be my angel)  
With strings? Will you be my angel  
(Be my angel)  
With strings?  
Will you be my angel? Will you be my angel  
(Be my angel)  
With strings?  
Will you be my angel  
(Be my angel)  
With strings? Will you be my angel  
(Be my angel)  
With strings?  
Will you be my angel? Will you be my angel?  
Will you be my angel?  
Will you be my angel?  
Be my angel
