

# Skin And Bones

## Foo Fighters

Lately I've been measuring  
Seems my time is growing thin  
Wind me up and watch me spin  
Watch me spin, watch me spin  
Skin and bones, skin and bones  
Skin and bones don't you know?  
Skin and bones, skin and bones  
Skin and bones don't you know?

I'm just skin and bones  
All worn out and nothing fits  
Brennivin and cigarettes  
More I give the less I get  
But I'm all set, I'm all set  
Skin and bones, skin and bones  
Skin and bones don't you know?  
Skin and bones, skin and bones  
Skin and bones don't you know?

I'm just skin and bones  
I'm just skin and bones

I'm just skin and bones  
I'm just skin and bones  
I'm just skin and bones  
Deep within this frame of mind  
Heart of hearts, oh, Valentine  
Tell my mom I'm doing fine  
Doing fine, doing fine

Skin and bones, skin and bones  
Skin and bones don't you know?  
Skin and bones, skin and bones  
Skin and bones don't you know?  
Skin and bones, skin and bones  
Skin and bones don't you know?

I'm just skin and bones  
I'm just
