

# City of Angels

David Tort

There was truth.  
There was consequence against you -  
A weak defense, then there's me;  
I'm seventeen and looking for a fight. All my life  
I was never there;  
Just a ghost  
Running scared.  
Here, our dreams aren't made - they're won. Lost in the City of Angels;  
Down in the comfort of strangers, I...  
Found myself in the fire burned hills,  
In the land of a billion lights. Bought my fate  
Straight from hell.  
Second sight  
Has paid off well for a mother, a brother and me. The silver of a lake at night;  
The hills of Hollywood on fire;  
A boulevard of hope and dreams;  
Streets made of desire. Lost in the City of Angels;  
Down in the comfort of strangers, I...  
Found myself in the fire burned hills,  
In the land of a billion lights. I found myself in the fire burned hills,  
In the land of a billion lights.  
(Of a billion lights, of a billion lights, of a billion lights...) Angels Angels I am home!  
Home!  
Home!  
Home! Lost in the City of Angels;  
Down in the comfort of strangers, I...  
Found myself in the fire burned hills,  
In the land of a billion lights. One life, one love - Live!  
One life, one love - Live!  
One life, one love - Live!  
One life, one love -
