Die Antwoord

Yeah

You look nice
Jissis
You look good enough to eat girl
You're making me hungry
Fuck
Jy's a mal naaier maar ek hou van jou baie
Ninja jump on the mic and set your panties on fire
I've got a bunch of girlies I can hit up whenever
They're wild and they're sexy and they're cute and they're clever
They gimme all their love and affection yeah but they never
Give me fucking shit cause i'm nice like that
I'm gonna sip my champagne with vagina (yuh)
I wanna be your sticky little slimer (yuh)
I'm gonna eat you baby i'm a tiger
Smells like fish, tastes like chicken Yeah
Yeah

Yeah
I want 2 eat u I'm a happy little chef, cooking up a storm
A happy little naked chef I cook with nothing on
Uh, word to your mum, cooking is the bomb
Nothing like a nice warm cookie in your palm
Feelin' how I feel about you
So ultra baba I just wanna be around you
You know how I feel inside too
I really, really, really, really like you
Rawr hear me roar
My motherfuckin selection is so incredible
White girl, black girl
Skinny girl, fat girl, yuh
What a lot of vagina baby give me more
Mushy, tushy, gushy, bushy, smells like sushi
Lickity-spit, peanut butter she know what I want
Check it baby if you wanna be my number one

Let me know your future plansYeah

I also know you're crazy and you wanna be free
And I know you care about me and you feel for me
Plus I know you're for real and you'd kill for me
Baby, it's a rockin' and roll
And you're sweet but I like it that you're fokken hardcore
God bless you baba you a dream come true
