

# Ain't Got Nobody

Weezer

I had another nightmare  
Go back to sleep honey, everything will be alright in the end  
All the girls love  
It's so simple  
Look, black is dead, guitars are dead  
Category astronaut  
Ain't got nobody  
Ain't got nobody  
Ain't got no one to really love me  
Ain't got nobody  
Ain't got no one to kiss and hug me  
I've been so patient  
All around the nation  
There ain't no one in all creation  
I'm livin' all alone  
Nobody at home  
It's hard to fall asleep  
I really start to freak  
My daddy loves me  
No one could touch me  
'Till he went up and left me lonely  
That's human nature  
We fail each other  
And keep on searching for another  
I thought I had a friend  
But she was just pretend  
She didn't have a soul  
Nothing I could hold  
Ain't got nobody  
Ain't got nobody  
Ain't got no one to really love me  
Someone I can greet  
When I come home from work  
Someone who would smile  
And take away the hurt  
Ain't got nobody (Ain't got nobody)  
Ain't got nobody (Ain't got nobody)  
Could you be the one to really love me?  
Ain't got nobody  
Ain't got nobody  
Ain't got no one to kiss and hug me  
Tutututututu  
Tutututututu  
Tutututututu
