

# Two Thangs

## Gucci Mane

Gucci mane  
Two things  
Trap house

Gucci mane in the building (Gucci, Gucci)  
Laflare, big kat (laflare)  
Say we got it like that (like that)  
Every thing don't mean two things, watch this

[hook]

Young Gucci mane got a style so strange  
Every word I use might mean two things [Repeat: x3]  
Young Gucci mane got a style so strange  
Every word I use don't mean two thangs

It ain't the way its the principle  
What kind of student make mo money than the principal  
And I never made the honor roll  
But I'm in the lunch line with a honor roll  
You pumping iron in the weight room  
I'm on the grind got a nine in the weight room  
And I never play softball  
But I always kept the hard and the soft balls  
You doing math on the calculator  
I'm weighing slabs doing math on a calculator  
And I ain't trying to to write no essays  
I'm trying to to get a hundred pounds for my eses  
You trying to learn how ta speak Spanish  
But my connect trying to teach me ta speak Spanish  
And u a monitor in the hallway  
I'm all day on the grind wit a 4-way

[Chorus]

You the one who won the spelling bee  
I'm the first 3rd grader wit a felony  
And I never was a teacher's pet  
I'm the one who went and stole the teacher's cigarettes  
And I never went on field trips

I'm at walter's trying to buy me some stash slips  
And I always been cut throat  
15 taking big niggas starter coats  
Laflare entertainment by myself  
But I used to have a high right, low left  
Gettin' money by da truck loads  
Rollin up big fat el productos  
Before I drank v.s.o.p. remy  
I used to drank that MD 22  
Wood-grain and reverse 8's  
Box Chevy trunk sounding like a earthquake

[Chorus]

I gotta give it to u raw man  
Cause I still keep a trunk full of raw  
I'm a nigga from the block man  
In the club putting down wit the block man  
You probably gotta worker 9 to 5  
I'm on the grind with the nines for the 55  
Bitch u a half of a 12  
Low key bucket trying to duck 12's  
So what's up with them t-shirts  
I got a t-shirt tuck under my t-shirt  
Better watch yo fucking tone man  
Cause you know Gucci keep a tone man

[Chorus]
