

# The Fool I Had Become

## Pugwash

I saw the good, saw the bad,  
Heard the laughter, felt the sad,  
Watched the world go by and then...  
Felt the hurt, healed the pain,  
Saw my face in the dirt again  
Never thought it would ever end  
I was a fool to give you everything  
I was a fool to tell the world  
I just assumed I was the only one  
The fool I had become  
Can it be really true that the dark was inside of you  
All the years I never knew  
Even though we used to fear that this would always end in tears  
I wish you well, I wish you well  
'Cause I was a fool to give you everything  
I was a fool to tell the world  
I just assumed I was the only one  
The fool I had become,  
The fool I had become...
